What is the purpose of the Jacobs Well and District Progress Association?

Why ask the question?

- “Model Rules” drafted late 80s and accepted 1990
- Existing “Objects” within the rules:
 - (a) To encourage good citizenship and civic pride within the area.
 - (b) To endeavour to ensure that at all times adequate services and amenities are provided by the relevant authorities and distributed as equitably as possible over the whole area.
 - (c) To consult with the Shire Council and any other authority where deemed necessary, to submit constructive proposals in the furtherance of the objects of the Association.
 - (d) To confer or co—operate with any other public organisations having similar aims in the furtherance of its objects.
- The Need to have a clear vision and mission to deliver the vision
